"I can go everywhere by basket!" it thought. So it got into the basket. The boy swam in the river. "Where is the basket?" he called. "It's over there!" said the woman. "It's behind you! A duck is in it!"

The boy swam to the basket. He drove away the duck and took the basket back to the woman.

"Oh, thank you very much!" said the woman. "How warm-hearted you are!" "Not at all!" said the boy.

Guess! What was left in the basket? Ha! It was a duck egg.
