三、阅读短文，选择最佳答案

It's a hot day. A mother crow and her two kids are flying in the sky(天空). They are very thirsty. So mother says to her children "Let's find some water to drink." They find(寻找)a jar on the floor. There are some water in the jar(广口瓶). But it's not full(满). But their beaks(鸟嘴) are too short. They can't drink the water. Little crow don't know what to do. Mother crow looks at the jar, then she asks her children to put some stones into the jar. Oh, the jar is full now! How clever the mother is!
