五、阅读理解。

Students in many countries are learning English. Some of these students are small children. Others are teenagers(少年). Many are adults. Some learn at school, others by themselves. A few learn English by hearing the language over the radio, on TV, or in films. One must work hard to learn another language.

Why do all these people want to learn English? It is difficult to answer this question. Many boys and girls learn English at school because it is one of their subjects required(要求) for study.

They study their own language. Maths and English. Some people learn it because it is useful for their work. Many people learn English for their higher studies, because they want to go to college or university(大学). Some of their books are written in English. Other people learn English because they want to read newspapers and magazines in English.

- () 1. People learn English _____.
- A. at school B. over the radio
- C. on TV D. not all in the same way
- () 2. It is _____ to answer why so many people want to learn English.
