五、阅读理解。

Jane is only four and doesn't go to school. But she is very clever and learns a lot from her grandpa---an old teacher. One day, Jane's mother, Mrs John takes her to a party. The guests (客人) all practice a rich woman's boy. Mrs John asks him a few questions, but all his answers are wrong. Jane begins to laugh at him. The rich woman is angry. She tells her friend---a teacher to ask Jane some questions, but the girl answers all the questions. Then she asks, "There're three birds in the tree. How many will be left (剩下的) if I kill (杀死) one?"

"One!" answers Jane. "You're wrong!" shouts the rich woman, "All of them will fly away!" "Do you think a dead bird can fly?" asks the little girl. The guests begin to laugh and the woman's face turns red.
