四、阅读理解。

Jane is only four and doesn't go to school. But she is very clever and learns a lot from her grandpa---an old teacher. One day, Jane's mother, Mrs John takes her to a party. The guests all praise a rich woman's boy. Mrs John asks him a few questions, but all his answers are wrong. Jane begins to laugh(嘲笑) at him.

The rich woman is angry. She tells her friend --- a teacher to ask Jane some questions, but the girl answers all. Then she asks, "There're 3 birds on a tree, how many will be left if kill one?" "One," answers Jane. "You're wrong!" calls out the rich woman. "All of them will fly away!" "Do you think a dead bird can fly?" asks the little girl. The guests begin to laugh and the woman's face turns red.
