八、阅读理解 (判断题) (共 1 题,共 10 分)

1. Last weekend, Jack wanted to play the violin. But his father and mother didn't like it. They said, "When we are at home, please don't play the violin in our house." So Jack went out and walked around in the street. He saw an old man playing the violin. Many people passed (走过) and put money into his hat on the ground. Jack watched him for a long time, and then he ran home and got his violin. He came to the bus stop and put his hat on the ground. Then he began to play the violin. Many people put money into his hat. Jack was very happy because he could play the violin and get the money, too.

(1) Jack's parents wanted Jack to play the violin when they weren't at home.

(2) An old man was playing the violin at the bus stop.

(3) Jack played the violin at home last weekend.

(4) Many people passed and gave Jack money.

(5) Jack was happy to play the violin with the old man.
