What if someone told you about a kind of grass as tall as the tallest trees? A grass as strong as steel? Would you believe that person? You should, for that grass is bamboo (竹子), which has more than 1,000 uses. It is not just a material for making useful products. Young bamboo is eaten, often mixed with other vegetables.

Bamboo grows in many parts of the world. In the USA it grows in many states like Virginia and Florida. Most bamboo, however, is found in wet and warm climates, especially in Asia and on the islands of the South Pacific Ocean.

In most Asian countries, bamboo is nearly as important as rice. This unusual material is used to not only build large buildings but also make water pipes, musical instruments and paper. There are over 1,000 kinds of bamboo. No wonder the lives of nearly half the people on earth would change greatly if there were no longer any bamboo.

第二节 (共 5 小题; 每小题 2 分, 满分 10 分)

阅读下面短文, 从短文后的选项中选出可以填入空白处的最佳选项。

Social anxiety(社恐) is a mental disorder that is often misunderstood. It involves being fearful of social situations, especially unfamiliar ones. 16

17

A person with social anxiety has an increase in heart rate, sweating and dizziness(头晕). In all of these cases, it's important to slow down your breathing to help you gain control back of your body.

Challenge your thoughts

When you have social anxiety, perhaps you're worried you might trip over, laugh or cough at the wrong time. 18 They may cause discomfort, but try to challenge these worries and replace them with more helpful thoughts.

Set goals

The idea of goal setting is not only to decide where you want to end up, but to learn about where you are now. 19 Never compare yourself to others in terms of social success.

Focus on yourself and how you are doing week by week, month by month.

Say yes

20 But it's time to start saying "yes"! If you're invited to do something social, don't turn it down and accept the invitation. You may feel a little anxious at first. However, over time, the more you attend social activities, the less scared you will feel to go.

- A. Focus on breathing
- B. In this way, you can clearly see your progress.
- C. The truth is that these things happen at any time.
- D. Maybe you've gotten into the habit of saying "no" to everything.
- E. Luckily there are a few small steps to help you feel more comfortable.
