When hot weather arrives during summer, we're not always ready for it. Of course, one of the most important things to do is to treat a sunburn. 26

Cover your burned skin

The sun has already hurt your skin, so it's important to cover the burned area with comfortable clothes. And keep using sunscreen (防晒霜) if you have to go outside again!

27

You may want to cool your skin to take away that burning feeling. So take a cool shower or bath, trying not to wash the burned area with soaps that could make you painful.

Use a lotion (护肤液)

There are lots of after-sun lotions you might try. 28 You should also not scratch(挠) your sun-burn because this could damage the new skin growing there.

Drink lots of water

We need to drink a lot of water when we're in the sun anyway. 29 So you will need to drink more than usual. But don't drink alcohol (酒精). It could make things worse. But if you think your burns are more serious, 30 For example, if the burned part is big, or the pain is too much to bear, it's better to go to the doctor quickly.

- A. It is good for making your skin comfortable.
- B. Sunburn will take water away from your body.
- C. Take cool baths or showers.
- D. Here is some advice from doctors.
- E. you may need to see a doctor.

V. 读写题 (本题共分两节, 共计 15 分)

第一节 (每空一词, 每题 1 分, 共 6 分)

When it comes to football, a man called Lionel Andres Messi enters our minds.

Messi started to play football when he was a young child. Then, six years later, he developed a serious illness at the age of 11. Luckily, Football Club Barcelona offered to pay for his medical bills. Messi and his father moved to Barcelona where Messi joined the club. In 2003, he not only took part in his first match but also won it.

Messi is highly creative, and has the skills to play either in the middle or on the two wings. As other people say, Messi is the most talented football player in nearly 20 years. Messi has won FIFA's Golden Ball award(奖) and the World Cup champions successfully. In 2022, Mesi played in his fifth and final World Cup and won finally.

However, as the most excellent football star, Messi is kind and helpful. In 2007, Messi set up a charity(慈善组织) to support children with medical difficulties. In 2010, Messi worked as an ambassador(大使) for UNICEF. Also, Messi always tries to encourage himself to be better and never feels tired. He is on the way to "The King of Soccer".
