六、根据短文内容,判断下列句子正(T)误(F)。(每小题2分,共10分)

One day my father told me something about his childhood(童年)and my uncle's childhood. My father was a naughty boy, and he often fought(打架)with others. He didn't like the lessons at school, but he was interested in plants and animals. So now he has a big and beautiful farm.

My uncle was quiet and he seldom went out to play. He studied very hard and he was good at all his subjects. Now he is a scientist.

My father told me, "George, if you want to be a scientist like your uncle, you should study hard. If you enjoy the nice field like me, you should try to study more about the plants and animals and learn how to take care of them. "

()1 . George's father was naughty but he was good at all his subjects at school.

()2 . George's father liked plants and animals when he was young.

()3 . George's uncle was quiet, so he became a doctor.

()4 . George wants to be a scientist like his uncle.

()5 . George's father told his son that he should study hard whatever(无论什么)he would like to be in the future.
